## MACHINERY HANDLING SERVICES

- Straight Time-** First 8 hours worked between 6:00 AM and 9:00 PM Monday - Friday
- Overtime-** After first 8 hours of installation/dismantle, Monday - Friday, and hours worked between 9:00 PM and 6:00 AM; All day Saturday and Sunday
- Double Time-** After 14 hours worked in a day and observed union holiday

**DRIVERS CHECK-IN: NO LATER THAN 3:30 P.M. IN ORDER TO BE OFF-LOADED ON ARRIVAL DATE.**

- \* **ALL MACHINERY SHIPMENTS MUST** be shipped directly to the Georgia World Congress Center care of Freeman. Freeman **WILL NOT ACCEPT** any shipments addressed to the Georgia World Congress Center prior to the first day of Exhibitor Move-In.
- \* **MACHINERY WILL NOT BE ACCEPTED AT THE WAREHOUSE.** Any machinery that is shipped to the warehouse will be re-consigned to show site or charged at the rate of \$46.00 per cwt or fraction thereof.
- \* Certified weight tickets and proper documentation will be required on all loads containing machinery. Separate weight for display material and machinery equipment is required. There are different rates for machinery equipment if properly identified on the Bill of Lading. If the weight is not separated and/or materials are not identified properly, the display rate will prevail.
- \* Rates quoted below include all labor and equipment required to unload trucks at the hall and to place items in the exhibitor's booth, one time spotting, return of containers to dock and loading on outbound carriers. Machinery will be spotted with a 6" tolerance, one time after removal from the truck provided the following conditions are met:
  1. The exhibitor, or his representative, is there to supervise the spotting
  2. The area within the booth is clearly marked to indicate the machine's position
  3. No rigging, bolting or unbolting, unskidding or attaching to other equipment must be done

This will include shipments of machinery WITH proper lifting bars, points, hooks or skids which may be moved on or off of the loading dock or vehicle or show floor by forklift with NO other additional handling requirements. Forklift lifting points MUST be clearly marked. Machinery that does NOT fit this description will be considered UNSKIDDED and will be charged the published rates for Unskidded Machinery Shipments.
- \* Rates below do NOT include a labor charge for uncrating, unskidding, unpacking, recrating or reskidding materials.
